Look to Our Blessed Virgin Mary for peace and harmony in our world

Welcome to 2024!!! We usher in the new year with some positive changes – and with hope – despite the confusions and controversies of today’s life!

Yes, we are struggling! Beset at times with our very own personal matters, we look about and see so many problems facing us.

*Our world today is confusing, to say the least; it has turned upside down!!
Division and controversy have supplanted unity, communication and negotiation;
Mistrust of authority and doubt have become the norm;
Many revert to anger and hostility rather than allowing patience and understanding to exist!*

*Yet, despite all this, as Christians, we endeavor to hold true to our faith. Listen and respect others’ opinions; avoid anger, division and hatred. Strive for freedom and righteousness!
Turn to God for hope and healing! Thank Him for all He has given us!*

And so, yes, it is the beginning of a new season, a time of growth & development, in our barrier island Parishes. As well, it is a time to renew our belief in God.

*The Rosary Altar Society of St. Ignatius Martyr Church, through its devotion to
Our Blessed Virgin Mary, continue to pray for peace for all peoples.*

*Springtime is near!! Flowers bloom, days are longer, and our spirits are lifted!
We have been given Flowers!! Pray to God!! He listens - always!!*

As a Ministry of Beach Catholic, Rosarians support the Parish by: Attending to the altar, Offering Mass assistance, Grief Counselling and Consolation. We pray with and for the sick and visit the homebound, offering them communion and conversation.
